

Well into Fall soccer again and the fields are buzzing with hard work at training and the cheer of weekend games. It's great to see our players and teams back in our LUFC school of soccer.

**2022 is special.** Reflecting upon a decade of growth, **Laguna United Football Club** was established in 2012 as the competitive program for **Laguna Niguel Youth Soccer Association (LNYSA)** to provide our aspiring players a pathway of continual development that matches and grows with the next generation of standards. The growth and success of our program has gained recognition within our local and Southern California communities as well as the national landscape and competitive platforms.

Few things bring together a mass of jubilant people quite like sport, team, and COMMUNITY. We have our City of Laguna Niguel to thank for providing some of the finest facilities to train on as well as the local businesses that mirror support for our players and teams. We also thank our players, families, coaches, and volunteers for their camaraderie, commitment and dedication. WE are the collective success behind our hometown, hometown **Football Community**. Thank you for supporting and being a part of a greater community vision, purpose, and philosophy:

**Laguna United Football Community**

Laguna United FC takes great pride in the environment that we create for our players and teams. Enjoy a great Fall season of games and please respect and refresh on NEW sideline protocols (below) to support and enhance the experience for our community. In celebration of 10 Years, we will be distributing **LUFC** stickers next month to our players and families at training! Stay connected with us via social media for our latest community happenings!
