Make A Difference Day is a national day of doing good, encouraging communities and groups to engage and express acts of kindness and service. It is celebrated each year on the fourth Saturday of October and inspires individuals to impact their community positively, no matter how big or small the action.

Laguna United FC has organized park clean-up activities, sports equipment collection, and food donation drives in past years. This year, we are focusing our Make A Difference project on playing forward cleats and sneakers in support of disadvantaged youth athletes. Donations will benefit the local youth and adult soccer groups of Tamarindo in the Guanacaste province of Costa Rica.
