

NOTE FROM THE DCC & BOARD

As we close the end of 2019, we look back at the success the club has experienced over the past year as well as forward to the future in 2020.

2019 brought the club's first National Cup Finalists with the B2003 Blue team, National Premier League Champions: B2002 & B2006 Blue teams as well as the first LUFC Girls team to reach the California Regional League: G2005 Blue. This alongside a lot of other great player, team and community success has paved the way for an exciting 2020 year.

As we head past December, we have concluded tryouts for the 2013-2006 years. Tryouts brought over 225+ new players across all age groups. Plans are in place to continue strengthening and growing our teams within the club.

As we head into the new year, we have over 30 teams taking part in state and national cups. We wish all of these teams and other teams in other competitions, the best of luck.

2020 also brings new opportunities to our players and teams as we launch our College Corner as well as announce our membership into the **National Premier League Southwest Division**—all things we look forward to in the coming year.

TEAM ACHIEVEMENTS

Post-SCDSL success, our LUFC teams were straight back on the field competing in tournaments and CRL games. Congratulations to our teams.

Steel United Cup Champions

Steel United Cup Finalists

AC Brea Thanksgiving Cup Champions

2020-2021 TRYOUTS

Tryouts were a great success with the attendance of over 225+ new players as well as returning players. LUFC offered three different dates to allow players an extended period of opportunity and coach evaluation for all new and returning players.

As we move into the new year we will be announcing tryout dates for all ages 2005+ as well as open team trainings for all age groups. Please pass on our club details to any prospective or interested players.

OPEN TEAM TRAINING 2020

If you are interested in LUFC and one of our teams, you are invited to attend a team's practice. Attending a team practice allows for us to evaluate and welcome players into a comfortable and relaxed atmosphere. This also gives prospective players and families a chance to experience an LUFC training environment as well as get to know our coaches and teams closely.

LUFC ANNOUNCES NATIONAL PREMIER LEAGUE (NPL) MEMBERSHIP

Southwest NPL becomes newest member league, beginning Spring 2020.

Eleven clubs in the Southern California region make up the southwest division, which includes programming for 13-U through 19-U boys and girls teams. The Southwest NPL will begin its competitive calendar in March 2020 and progress through May.

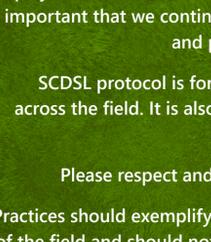

"We're very excited to welcome the Southwest NPL into the US Club Soccer and NPL family," added Leo Garcia, NPL General Manager and US Club Soccer Vice President of Competitions. "We're striving for these strong clubs to now have the opportunity to strive towards an ENPL or NPL national championship, and also to be able to see the league winners potentially face-off with titleholders from another formidable NPL member, the SoCal NPL."

Good Luck to All LUFC High School Players

During the months of December through February, high school-aged players represent their high schools and take a small hiatus from club soccer. LUFC has players represented across Frosh/Soph, Junior Varsity and Varsity programs across the high schools below:

- Aliso Niguel

We also wish our Signature teams the best of luck as they head into Spring leagues coordinated with LUFC.

LUFC THANKSGIVING SPIRIT

LUFC members and staff enjoyed the annual Dana Point Turkey Trot. Amongst these were Board Members Gordon McBean and Coach Kevin & Sara Novak.

LUFC is excited to support the newest professional soccer club competing in the NISA League.

1904 FC

1904 FC is based out of Oceanside and includes owners and investors such as Real Madrid FC player Eden Hazard and former Chelsea FC player Demba Ba. Please join LUFC in supporting our developing relationship with one of the newest and exciting professional teams around.

SIDELINE PROTOCOLS + EXPECTATIONS

LUFC is a proud competitive community-based club. While we enjoy our players and families and have experienced great success in recent years, it is important that we continue to remain grounded, observe and respect the laws and protocols of games and practices.

SCDSL protocol is for parents to seat opposite the team bench directly across the field. It is also important that the coaches coach, players play and parents cheer and enjoy.

Please respect and refrain from addressing Referees at any point.

Practices should exemplify the same standards. Parents are to remain on one side of the field and should not enter the field of play. Please enjoy the bleachers and seating provided and refrain from walking across or opposite these areas at all fields.

Dogs are not permitted at any field at any time.
