

LUFC Families,

As we approach the Laguna Classic tournament weekend and start of 2023 Fall Season, we want to remind everyone of our game day and practice protocols, and other important standards.

GAME DAY

- **Spectator Viewing:** Each league, tournament and scrimmage has different directions for where spectators are required to sit. Please follow the direction of that game day environment.

All spectators are to sit on the same side of the field as their team.

All spectators are to sit on the opposite side of the field to their team.

- Please arrive at your coach's desired time prior to kickoff.
- There is never a time to address the referee or opposition parent and player. REFRAIN from doing so.
- NO PARENT COACHING. Cheer and support, but let your coaches do the coaching.
- **48-Hour Rule:** If you have a concern or question, please wait until 48 hours after a game to address a matter.
- If you have an issue, your coach and our DOC are your point of contact. Keep our sidelines positive and appropriate to our team's experience, environment and culture.

PRACTICES

- Only **LUFC** players and coaches are approved to be on and inside of the field. Please give our coaches and players their space.
- Please refrain from any coach or player communication at all during the training session.
- If you need to speak with your coach, please arrange a time to do so via phone or email, and away from the field of play.
- Players should arrive at least (5) minutes prior to their session or follow your coach's direction on arrival time.
- Coaches need to know if you will not be attending a session. Please communicate with your coach in their desired communication method.

LUFC takes great pride in the environment that we create for our players and teams. Please help in supporting and enhancing this experience for our whole LUFC community.

Thank you and we look forward to seeing you on the pitch!
